

GETTING STARTED

1

INITIAL CONTACT

This is an information gathering process where LHB gets to know yourself and/or your business. This session is essential to get an understanding of the risk exposures relevant to you.

2

INSURER DISCUSSION

LHB acting on your behalf will discuss the required covers with Insurers (we have access to over 100) and negotiate for you on both price & product.

3

RECOMMENDATION

LHB will provide you with advice around the exposures to your business and the products & pricing available to help protect you.

4

INSURED ACCEPTS

When happy with the offering, the insured (yourself and/or your business) accepts the LHB proposal which is confirmed by the insurers.

5

ONGOING CONTACT

LHB are your ongoing direct contacts for all policy management & claims. If something changes you simply contact us and we can guide you towards your protection solution.
